

RVS subscription in ENGLISH

The Austrian Research Association for Roads, Railways and Transport (Forschungsgesellschaft Straße-Schiene-Verkehr) endeavours always to provide its customers with optimum service.

As of 23rd October 2025, the following RVS are available in English:

RVS-No.	Category; RVS - Label	Issuing date in German	Publishing date in English
02.02.37	Transport Planning; Speedlimits	01.02.2015	08.05.2020
02.02.42	Transport Planning; Recommendations for the Improvement of Motorcycle Safety	01.01.2024	12.12.2024
02.03.11	Transport Planning; Optimization of Local Public Transport – Open Line and Stops	01.03.2019	03.06.2022
03.03.31	Road Planning; Cross-section Elements and Envelopes of Clearance of Rural Roads	01.08.2018	24.03.2020
03.03.82	Road Planning; Rural Track Paths	01.07.2017	09.02.2021
03.04.13	Road Planning; Child-Friendly Mobility	01.11.2015	22.05.2017
03.08.68	Road Planning; Mechanistic Asphalt Pavement Design	01.01.2018	12.10.2020
04.01.11	Environmental Protection; Environmental Assessment (revised 2022)	01.04.2017	21.01.2019
04.02.12	Environmental Protection; Dispersion of Airborne Pollutants from Transport Routes and Tunnel Portals	01.10.2020	18.10.2021
04.03.11	Environmental Protection; Amphibian Protection for Transport Infrastructure	01.02.2019	13.03.2020
04.03.15	Environmental Protection; Species Protection on Transport Infrastructure	01.10.2015	06.05.2019
05.01.14	Traffic Control; Intermodal Transport Reference System for Austria – Standard Description GIP (Graph Integration Platform)	01.01.2018	19.08.2019
05.01.22	Traffic Control; Location Reference Indicator Signs	01.01.2025	16.10.2025
08.03.01	Technical Contract Conditions; Earthworks	01.08.2021	02.05.2024
08.05.01	Technical Contract Conditions; Piles, Diaphragm Walls and Micropiles	01.04.2021	16.07.2021
08.05.04	Technical Contract Conditions; Deep Compaction and Vertical Drains	01.04.2021	16.07.2021
08.05.05	Technical Contract Conditions; Girder Support System	01.04.2021	16.07.2021
08.09.02	Technical Contract Conditions; Steel and Aluminium Surface Protection	01.06.2024	31.10.2024
08.09.04	Technical Contract Conditions; Quality Criteria applicable to Companies for Carrying out Corrosion Protection Works for Surface Protection and Metal Sealing on Site	01.04.2023	01.05.2023
08.16.02	Technical Contract Conditions; Application of Asphalt Mats	01.12.2015	23.07.2018
08.21.02	Technical Contract Conditions; Platforms for Geotechnical Works	01.08.2018	12.04.2019
08.22.01	Technical Contract Conditions; Grouted Anchors, Nails and Grouted Piles subjected to Tension (GPT)	01.04.2021	16.07.2021
08.97.07	Technical Contract Conditions; Approval Framework of Recycling-Agents for Aged Bituminous Binders in Asphalt Granulate (RA)	01.10.2025	23.10.2025
09.01.24	Tunnel; Structural Equipment for Operation and Safety	01.06.2014	23.07.2018
09.01.51	Tunnel; Health and Safety on Tunnel Sites	01.07.2017	07.03.2019
09.02.22	Tunnel; Tunnel Equipment	01.06.2014	17.01.2019
09.02.31	Tunnel; Basic Principles	01.06.2014	17.06.2015
09.02.41	Tunnel; Tunnel Lighting	01.03.2020	13.04.2021
09.03.11	Tunnel; Methodology of Tunnel Risk-Analysis	01.04.2015	19.05.2016
10.02.12	Judicial Terms of Contract; Contract Award Criteria for Public Works Contracts – Traffic Route Engineering	01.07.2017	21.01.2019
10.02.13	Judicial Terms of Contract; Value Engineering for Infrastructure	01.01.2017	10.01.2019
13.03.11	Quality Assurance for Structural Maintenance; Road Bridges	01.07.2021	03.03.2022
13.05.11	Quality Assurance for Structural Maintenance; Calculation of Life-Cycle-Costs for Bridges	01.04.2017	04.04.2019
15.02.12	Bridges; Design and Construction of Integral Bridges	01.04.2018	06.09.2019
15.04.81	Bridges; Design and Dimension	01.09.2017	14.11.2017
15.05.11	Bridges; Steel and Aluminium Structures	01.06.2024	22.08.2024
WP No.17	Dispersion of Airborne Pollutants from Transport Routes and Tunnel Portals – Requirements for Dispersion Models and Basic Data	01.10.2020	08.03.2022

Further information, as well as all offers for single, multi-user and server version are found on the website www.fsv.at.

Guidelines and Specifications covering the Planning, Construction and Maintenance of Roads (RVS) - ENGLISH

Ordering an RVS subscription for education purpose only with English RVS publications

I (We) order in accordance with the following price list. (All prices are without VAT, postage, and shipping)

Licence		Installation (one-time payment)	Qty	Annual fee*
SCHOOL VERSION	School/University 2 workstations licence Allows an installation up to two workstations and a usage only for educational purposes and for the creation of lesson materials – printing isn't allowed	€ 230,00 € 0,00		€ 230,00 € 115,00
	School/University server licence Allows an installation on one server and the usage for all students and pupils in this facility. The usage is only for educational purpose – printing isn't allowed.	€ 460,00 € 0,00		€ 460,00 € 230,00

*Subject to changes, for example adjustment of prices for additional deliveries.

Prices marked in **yellow** apply for subscribers of the RVS subscription in German language.

I (We) aware that the work is protected by copyright. The editor reserves all rights, translation, reprint, reproduction of illustrations, radio broadcast, reproduction by photomechanical or similar means, and storage in data processing systems, even if only extracts of the publication are used. The purchaser has the non-exclusive and non-transferrable right to use the electronically stored texts within the scope of the purchased license. The purchaser shall take all measures to ensure that such electronically stored texts are not disclosed to third parties. The General Terms and Conditions of FSV shall apply. The offer is valid until revoked.

The entitlement to subscribe to the individual licenses depends on the employment rate and turnover of the customer. Any subscription is subject to a minimum period of 1 year (corresponding to 1 additional delivery).

We would like to point out that it is required for handling the order to store data (for example name, address, e-mail address, IP address, VAT ID). Use of your data for any additional mailings can be refused in writing at any time. More details on www.fsv.at.

To ensure smooth handling of your order, please state your details in BLOCK LETTERS.
